Region III - 6th & Walnut Sts.

Philadelphia, Pa. 19106

SUBJECT: Llangollen Landfill

DATE: February 22, 1977

FROM: Larry S. Miller, Chief  
Water Quality Monitoring Branch (3SA60)

TO: Orterio Villa, Director  
Annapolis Field Office (3SA20)

ORIGINAL  
(Red)

This is to confirm my discussions on February 18th with John Eagan and Harry Otto from Delaware Department of Natural Resources concerning their needs for split samples from our survey at Llangollen Landfill on February 22nd. Both indicated they do not have the capability to analyze for organics nor the money to contract for the results, therefore they do not want split samples.

They do wish a complete copy of our results as soon as they are completed.
